Positions, education, experience

Appointments

2022 – 2025	Deputy Professor at the Chair of Technology and Society (SoTec), Human Technology Center (HumTec), RWTH Aachen University
2018 – 2022	Visiting Professor, heading the Chair of Sociology of Politics and Governance, Dept. of Sociology, Faculty VI 'Planning, Building, Environment', Technische Universität Berlin
2012 – 2018	Juniorprofessor, heading the Chair of Sociology of Politics, Dept. of Sociology, Technische Universität Berlin
2008 – 2014	Research project leader, heading the Innovation in Governance Research Group (funded by a personal grant from the German Research Ministry's programme for social-ecological research), Dept. of Sociology & Centre for Technology and Society, Technische Universität Berlin
2000 – 2009	Research associate and project leader, Energy & Climate Division, Öko-Institut – Institute for Applied Ecology e.V. (based at offices in Freiburg and Berlin)
1997 – 1998	Student assistant with PD Dr. Volker von Prittwitz, Otto-Suhr Institute for Political Science, Freie Universität Berlin

Education

2015	Positive assessment as Juniorprofessor of Sociology of Politics at the Dept. of Sociology, Technische Universität Berlin (establishment of appointability as full professor, equivalent to a habilitation)
2007	Doctorate, Dept. of Science, Technology and Policy Studies (StePS), School of Management and Governance, University of Twente (in The Netherlands without specification of discipline and grading, thesis title: "Designs on governance. Development of policy instruments and dynamics in governance", supervisor: Arie Rip, examination committee: Maarten Arentsen, Edgar Grande, Robert Hoppe, Stefan Kuhlmann, Patrick LeGales, Wouter van Rossum)
1992 – 1999	Diplom-Politologe, Dept. of Political and Social Science, Otto-Suhr Institute of Political Science, Freie Universität Berlin (BA + MA equivalent in political science, grade 1,4, thesis title: "The governance of electricity: power sector liberalization in Germany", supervisors: Volker von Prittwitz, Lutz Mez)
1996 – 1997	Erasmus scholarship, London School of Economics and Political Science
1992 – 1995	Undergraduate education in economics (BA equivalent), Dept. of Economics and Management, Freie Universität Berlin

Visits

Jul 2017	Centre for Science, Knowledge, and Policy (SKAPE), University of Edinburgh, UK
Jul – Aug 2015	Institute for Advanced Studies in the Humanities (IASH), University of Edinburgh, UK
Mar 2013	School of Social & Political Science, University of Edinburgh, UK
Mar – May 2007	Dept. for Social & Political Science, European University Institute, Florence, I
Apr – May 2006	Science & Technology Policy Research Unit (SPRU), University of Sussex, Brighton, UK
2006 – 2007	Institute for Innovation & Governance Studies, University of Twente, Enschede, NL
Oct 2004	Centre for Innovation Research in Utility Sectors (CIRUS), EAWAG, Kastanienbaum, CH
Jun 2004	Institute for Advanced Studies on Science, Technology, and Society, University of Klagenfurt, Graz, A

Scholarships and awards

2022 – 2023	<i>Fellowship 12 months, Käte Hamburger Kolleg Centre for Global Cooperation Research (KKH GCR), Duisburg, declined for acceptance deputy professorship at RWTH Aachen</i>
-------------	--

2022	<i>Fellowship 9 months, Institute for Advanced Sustainability Studies (IASS), Potsdam, declined for acceptance of deputy professorship at RWTH Aachen</i>
2020	Public engagement award of Goldsmiths College, University of London, for the exhibition "Schmeck! Experiments for the senses" (with Michael Guggenheim)
2015, 2017	Fellowships, 3 months in total, Centre for Science, Knowledge, and Policy (SKAPE), University of Edinburgh
2006	Fellowship, 3 months, Science & Technology Policy (SPRU), University of Sussex
1995 – 1996	Erasmus scholarship, 12 months, London School of Economics & Political Science (LSE)
1995	Research scholarship, 3 months, Comision para la Promocion del Peru, Government of Peru

Professional associations

2020 – present	STS in Germany (STSing)
2012 – present	Society for Social Studies of Science (4S)
2011 – present	Science and Democracy Network (SDN)
2009 – present	Sustainability Transitions Research Network (STRN), founding board member (2009–2014)
2008 – present	German Association for Sociology (DGS), board member Section of Political Sociology (2020–present)
2007 – present	German Association for Science and Technology Studies (GWTF)
2005 – present	European Association for the Study of Science and Technology (EASST)
2004 – present	European Consortium for Political Research (ECPR)
2000 – present	German Association for Political Science (DVPW), board member Working Group Politics, Science and Technology (2006–2015)

Thematic working groups

2020 – present	"STS-Hub.de" preparing a bi-annual conference series to connect STS scholars in Germany across disciplines and organisations (chaired by Ingmar Lippert, Stefan Bösch)
2016 – 2017	"Path Dependencies", Acatech, Future Energy Systems II (chaired by Armin Grunwald, Manfred Fischedick)
2015 – 2017	"Big Data Governance", BMBF-consortium "Assessing Big Data (ABIDA)" (chaired by Jeanette Hofmann, Lena Ulbricht)
2015 – 2016	"Transdisciplinarity at TU Berlin" (chaired by Christine Ahrend, Gesine Schwan)
2010 – 2011	"Integration of Berlin Science Studies", Berlin-Brandenburg Academy of Sciences and Humanities (chaired by Peter Weingart)
2002 – 2006	"Shaping Sustainable Transformation" BMBF Initiative Social Ecological Research (chaired by myself)

Voluntary work, internships, civilian service

1999 – 2000	Öko-Institut e.V. (12 months civilian service in lieu of military service, Freiburg office)
1997	Institute for Ecological Economy Research, IÖW e.V. (three months internship, Berlin)
1995	UN Framework Convention on Climate Change (three months internship, secretariat in Geneva and First Conference of the Parties in Berlin)
1994-95	Germanwatch e.V. (voluntary work, delegate to sessions of the International Negotiation Committee on Climate Change in New York and Geneva)

Parenting

June 2020 – Dec 2021	During a total of 11 months, due to Covid19 protection measures, a 50% share of home care and schooling for two children
May – Sep 2012	Four months parental leave (second child, born Oct 2011)
Sep 2010 – Jan 2011	Five months parental leave (first child, born Nov 2009)

Publications

(items in italics: in preparation)

Impact

Web of Science (by 9 September 2021): total 29 publications, 1,692 citations, h-index 12

Google-Scholar (as of 20 January 2022): total 89 publications, 7,513 citations, h-index 29, i10-index 43

Conferences

Workshops and conferences organized

Voß, J.-P., Guggenheim, M., Rigamonti, N., Langen, N. (2021): "Taste! Discussions about investigating aesthetic practices". Webinar series of to present and discuss results from the citizen science project Schmeck! (i.a. with A. Hennion, C. Spackman, G. Ritter), TU Berlin, 3 March – 14 April 2021

Martinsen, R., Voß, J.-P. (2019): „Fabrikation der Demokratie. Baustellen performativer politischer Repräsentation“, joint workshop by working groups „Konstruktivistische Theorien der Politik“ and „Politik, Wissenschaft, Technik“ of DVPW (German Political Science Association) with support by section „Politische Soziologie“ of DGS (German Sociology Association), Universität Duisburg-Essen, 5-6 December 2019

O. Geden, J. Lezaun, J. Niewöhner, S. Schäfer, Voß, J.-P. (2019): „Social Sciences of Modelling: Exploring a New Research Agenda“, workshop of the MODEL-POL research cooperation between Berlin and Oxford, Humboldt University Berlin, 24-25 October 2019

Voß, J.-P., Rigamonti, N., Suarez, M., Watson, J. (2018): "Sensing collectives. Aesthetic and political practices intertwined", workshop with keynotes by A. Hennion and S. Prinz, Institute for Cultural Inquiry (ICI) and Hybrid Lab, TU Berlin, 14-16 November 2018

Voß, J.-P. (2018): "Sciences of democracy", exploratory workshop with A. Birkbeck, M. Brown, B. Laurent, Technische Universität Berlin, 7-8 June 2018

Schulz-Schaeffer, I., Schubert, C., Voß, J.-P. (2016): „Soziale Innovationen in sozio-materiellen Arrangements“. Annual meeting of GWTF (German Science and Technology Studies Association), TU Berlin, 18-19 November 2016

Voß, J.-P., Chilvers, J., Laurent, B. (2014): "Technologies of participation. Democracy in the making, on site and at distance". Research Workshop of the Innovation in Governance Group, Wissenschaftszentrum Berlin für Sozialforschung (WZB), 27-28 February 2014

Beck, S., Kuhlmann, S., Straßheim, H. and Voß, J.-P. (2013): „Politische und epistemische Autorität“. Workshop by Working Group „Politik, Wissenschaft und Technik“ of DVPW, Social Science Research Centre (WZB), 8-9 December 2013

Voß, J.-P. and Freeman, R. (2013): "Knowing governance. Making models, making methods, shaping political reality". Fourth Berlin Forum Innovation in Governance, Schloss Zieten, 12-14 June 2013

Voß, J.-P.; Mann, C. (2012): "Shaping innovation in governance? Inducements, opportunities and limitations for engaging with governance in the making". Third Berlin Forum Innovation in Governance with keynotes by Andy Stirling and Frank Fischer, 31 May – 1 June 2012, Technische Universität Berlin

Palfner, S.; Voß, J.-P., Kuhlmann, S. (2011): „Politik, Wissenschaft und Technik“. Open early career workshop by Working Group „Politik, Wissenschaft und Technik“ of DVPW. 17-18 November 2010, Technische Universität Berlin

Voß, J.-P.; Amelung, N. (2011): „Knowing Governance. The making of governance knowledge and the transformation of politics“. Second Berlin Forum Innovation in Governance with keynotes by Marie-Laure Djelic and Andrew Barry, 19-20 May 2011, Berlin-Brandenburg Academy of Sciences and the Humanities

Palfner, S.; Voß, J.-P., Kuhlmann, S. (2010): „Wissen im Politikprozess und Politik der Wissensproduktion“. Workshop by Working Group „Politik, Wissenschaft und Technik“ of DVPW. 15-16 June 2010, Technische Universität Darmstadt

Voß, J.-P., Simons, A. (2010): "Studying the emergence, development and expansion of new forms of governance". First Berlin Forum Innovation in Governance with keynotes by Partick LeGales and Arie Rip, 20-21 May 2010, Technische Universität Berlin

Schaper-Rinkel, P.; Voß, J.-P. (2009): „Governance von Zukunftstechnologien“. Workshop by Working Group „Politik und Technik“ of DVPW. 22-23 May 2009, Technische Universität Berlin

Meister, M.; Schubert, C.; Voß, J.-P., Hempel, L. (2008): „Neuere Ansätze in der Technikfolgenabschätzung“. Annual Meeting of GWTF. 21-22 November 2008, Zentrum Technik und Gesellschaft (ZTG), Technische Universität Berlin

Voß, J.-P., Schaper-Rinkel, P., Schulz-Schaeffer, I. (2008): „Technik, Politik und Gesellschaft“. Open early career workshop by Working Group „Politik und Technik“ of DVPW and section „Wissenschafts- und Technikforschung“ of DGS. 16-17 October 2008, Zentrum Technik und Gesellschaft (ZTG), Berlin University of Technology

Voß, J.-P.; Smith, A.; Grin, J. (2007): “Politics and governance in sustainable socio-technical transitions”. Third Workshop on “System innovations for sustainable development”. 19-21 September 2007, Schloss Blankensee bei Berlin

Voß, J.P.; Newig, J.; Monstadt, J. (2006): “Governance for Sustainable Development. Steering in contexts of ambivalence, uncertainty and distributed control”. Workshop of working group “Steuerung und Transformation” in the BMBF Social-Ecological Research Programme, 6-7 February 2006, Umspannwerk, Berlin.

Voß, J.-P.; Barth, R.; Ebinger, F. (2002-2003): Shaping Sustainable Transformation. Series of four international workshops. 25-27 Sep 2002 in Freiburg, 8-10 Dec 2002 in Berlin, 26-28 Feb 2003 in Brussels, 14-16 May 2003 in Budapest.

Conference panels convened

Voß, J.-P., Bösch, S. (2023): „Experimental democracy“. Panel at the 1st STS-Hub Germany, University of Aachen, 15-17 March 2023

Voß, J.-P., Lamla, J. (2022): „Politik als doing realities? Perspektiven praxis- und kultursoziologischer politischer Soziologie“. Panel at an Open Workshop of the DGS Sektion Politische Soziologie, Universität Bielefeld, 2 June 2022

Voß, J.-P., Chilvers, J. (2020): „Democracy in the making“, Open panel at joint conference of the Society for the Social Studies of Science (4S) and European Association for Studies of Science and Technology (EASST) “Locating and Timing Matters: Significance and Agency of STS in Emerging Worlds”, Prague, 18-21 September 2020

Voß, J.-P., Birkback, A., Brown, M., Laurent, B., Sayman, V. (2019): “Knowing Democracy”, open panel at Society for the Social studies of Science (4S) conference “Innovations, Interruptions, Regenerations”, New Orleans, 4 September 2019

Voß, J.-P., Christmann, G. (2019): “Translocal Planning?”, panel with keynotes by M. Hajer und K. Ward at International Conference of the Collaborative Research Centre 1265 “Re-Figuration of Spaces: Mediatization, Mobility, Globalization and Social Dislocation”, TU Berlin, 21 February 2019

Voß, J.-P., Birkholz, S. (2018): “Doing democracy: translations and boundaries”. Panel at DGS (German Association of Sociology) conference „Komplexe Dynamiken globaler und lokaler Entwicklungen“, Georg-August Universität Göttingen, 24-28 September 2018

Voß, J.-P., Birkholz, S. (2018): “Doing democracy: translations and boundaries”. Panel at DVPW (German Political Science Association) conference „Grenzen der Demokratie“, Goethe-Universität Frankfurt am Main, 25-28 September 2018

Rowland, N., Voß, J.-P., Passoth, J.-H. (2016): “Social studies of politics. Making collectives by all possible means”. Open panel at joint conference of 4S and EASST “Science and technology by other means”, Barcelona, 31 August – 3 September 2016

Straßheim, H., Voß, J.-P., Kuhlmann, S. (2015): „Wachstum, Wohlfahrt, Glück – Ökonomisches Wissen und soziale Regulierung im Wandel“, Panel des AK Politik, Wissenschaft und Technik, DVPW-Kongress, Universität Duisburg, 24 September 2015

Voß, J.-P., Freeman, R. (2014): “Knowing governance”. Panel at Interpretive Policy Analysis (IPA) conference “Governance and Beyond. Knowledge, Technology and Communication in a Globalizing World”, University of Wageningen, 3-5 July 2014

Voß, J.-P., Aykut, S., Baya-Lafitte, N. (2014): “Making knowledge about governance: representing, shaping and

contesting political reality". Open panel at joint conference of 4S and Estudios Sociales de la Ciencia y Tecnologia en America Latina (ESOCITE) "Science in context(s): Souths and Norths", Buenos Aires, 20–23 August 2014.

Voß, J.-P.; Palfner, S.; Kuhlmann, S. (2012): Vom Wirken der Dinge. Fakten und Funktionalitäten in politischer Praxis und Politikwissenschaft. Kongress der Deutschen Vereinigung für Politische Wissenschaft (DVPW), Universität Tübingen, 28. September 2012

Danyi, E.; J.-P. Voß (2012): "Political devices. Opening black boxes of state, democracy and public policy". Open panel at joint conference of 4S and EASST, Copenhagen Business School, 17-20 October 2012

Feindt, P.-H.; Voß, J.-P. (2009): „Wissenschaftspolitik angesichts globaler Herausforderungen: Zwischen Zerfaserung und Megalomanie“, panel at DVPW conference, 24 Sept 2009, Christian-Albrechts Universität Kiel

Voß, J.-P.; Jacob, K. (2009): „Innovations- und Industriepolitik für nachhaltige Entwicklung“, panel at DVPW conference. 24 Sept 2009, Christian-Albrechts Universität Kiel

Voß, J.-P.; Smith, A. (2008): "Shaping dynamic systems: Diversity and convergence amongst approaches to governance in various research traditions". Panel at IHDP (International Human Dimensions of Global Environmental Change Programme) conference "Long-term Policies. Governing social-ecological change", 22-23 February 2008, Freie Universität Berlin

Voß, J.-P.; Kemp, R. (2005): "Reflexive Governance for Sustainable Development - incorporating feedback in social problem-solving". Panel at IHDP conference, 9-13 Oct 2005, University of Bonn

Projects

2018 – 2021	<p><i>Schmeck! Practice and aesthetics of eating within the transformation of food systems for sustainable development</i></p> <ul style="list-style-type: none"> - Pilot project for qualitative-sensory citizen science at TU Berlin - At the Dept. of Sociology, Technische Universität Berlin - Funded by the President of TU Berlin (€ 293,000) - Principal investigator
2018 - 2021	<p><i>Doing mini-publics: the translocalization of politics</i></p> <ul style="list-style-type: none"> - Project C03 in Collaborative Research Centre SFB 1265 “Re-Figuration of Spaces” - At the Dept. of Sociology, Technische Universität Berlin - Funded by the German Research Foundation (DFG) (€ 378,000) - Principal investigator
2012 - 2021	<p><i>Innovation society today. The reflexive construction of novelty, Phase I+II</i></p> <ul style="list-style-type: none"> - PhD programme (Graduiertenkolleg) - At the Dept. of Sociology, Technische Universität Berlin - Funded by the German Research Foundation (DFG) (ca. €1,500,000) - Co-Applicant
2019 – 2021	<p><i>Understanding the Uses of Mathematical Models in Policymaking (MODEL-POL)</i></p> <ul style="list-style-type: none"> - Seed funding for cooperation btw University of Oxford and Berlin Universities - At the Dept. of Sociology, Technische Universität Berlin - Funded by OX/BER Seed Funding Initiative I (€ 14,000) - Co-Applicant
2019 – 2020	<p><i>Innovating democracy. Practices, dynamics, and emerging futures in the re-making of political representation</i></p> <ul style="list-style-type: none"> - Internal research funding for ERC applications at TU Berlin - At the Dept. of Sociology, Technische Universität Berlin - Funded by the President of TU Berlin (€ 16,000) - Principal investigator
2014 - 2018	<p><i>Innovations in Climate Governance: Sources, Patterns and Effects (INOGOV)</i></p> <ul style="list-style-type: none"> - European Cooperation in the field of Scientific and Technological Research (COST), IS1309 - At the Dept. of Sociology, Technische Universität Berlin, in cooperation with University of East Anglia, Free University of Amsterdam u.a. - Funded by the European Cooperation in Science and Technology (COST) - Contributing expert
2009 - 2014	<p><i>Innovation in Governance Research Group (main phase)</i></p> <ul style="list-style-type: none"> - Independent junior research group (Nachwuchsforschungsgruppe) - At the Dept. of Sociology, Technische Universität Berlin - Funded by the German Ministry for Education and Research (BMBF) (€1,829,000) - Principal investigator
2008 - 2009	<p><i>Innovation in Governance Research Group (preparatory phase)</i></p> <ul style="list-style-type: none"> - Preparatory phase for setting up an independent junior research group - At the Center for Technology and Society, Technische Universität Berlin - Funded by the German Ministry for Education and Research (BMBF) (€60,000) - Principal investigator

- 2006 - 2009 *System Innovations for Sustainable Development*
- International workshop series to develop linkages between “sustainability transitions research” and governance, innovation, and complexity research
 - At the Öko-Institut e.V., in cooperation with SPRU/University of Sussex, University of Amsterdam, DRIFT/University of Rotterdam, Austrian Research Centre for Systems Research, Center for Innovation Research in the Utilities/EAWAG, IFZ/University of Klagenfurt
 - Funded by the German Ministry for Education and Research (BMBF) (€122,000)
 - Principal investigator
- 2002 – 2007 *Transformation and Innovation in Power Systems (TIPS)*
- Independent junior research group (Nachwuchsforschungsgruppe)
 - At the Öko-Institut e.V., in cooperation with German Institute of Economic Research (DIW, Berlin), Free University of Berlin, and Institute for Energy and Environment Research (IFEU, Heidelberg)
 - Funded by the German Ministry for Education and Research (BMBF) (€1,218,000)
 - Doctoral fellow, leader of sub-project on *Innovation in Governance*
- 2002 – 2005 *Integrated Microsystems of Provision. Dynamics, sustainability, and shaping of transformation processes in the utilities sector*
- Participatory foresight process on the future of utility systems in Germany
 - At the Öko-Institut e.V., in cooperation with Center for Innovation Research in the Utilities/EAWAG, MUT/Research Centre Jülich, Society and Technology Research Group/Daimler Chrysler, University of Cologne, Institute for communication services (WIK)
 - Funded by the German Ministry for Education and Research (BMBF) (€1,630,000)
 - Project fellow, member of steering group, leader of work package on *Governance*
- 2001 – 2005 *Evaluation network for transdisciplinary research (Evalunet)*
- Development of criteria and methods for quality in transdisciplinary research by in-depth evaluation of six collaborative research projects
 - At the Öko-Institut e.V., in cooperation with Institute of social-ecological research (ISOE), Austrian Ecology Institute (ÖÖI), Institute for Ecological Economy Research (IÖW), and Katalyse Institute
 - Funded by the German Ministry for Education and Research (BMBF) (€990,000)
 - Project fellow
- 2001 – 2003 *Knowledge Interfaces: Integrating academic and practice-oriented sustainability research*
- international workshop series “shaping sustainable transformation” for exploring collaborative research potentials on selected topics of sustainable development (infrastructures, product development and international regimes)
 - At the Öko-Institut e.V., in cooperation with SPRU/University of Sussex, ICIS+ MERIT/University of Maastricht, Centre for Innovation Research in the Utilities Sector/EAWAG, Austrian Research Centre for Systems Research, Stockholm Environment Institute, Friedrich Nansen Institute, Institute of Applied System Analysis, Fondazione Enio Enrico Mattei, University of Bern, University of Budapest, Austrian Ecology Institute
 - Funded by the German Ministry for Education and Research (BMBF) (€518,000)
 - Principal investigator
- 2000 – 2001 *Institutional Innovation in Energy and Substance Flows*
- Exploration of institutional approaches to energy services, ecological product development and NGO participation in climate policy
 - At the Öko-Institut e.V.
 - Funded by the German Ministry for Education and Research (BMBF) (€49,000)
 - Principal investigator

- 2000 – 2001 *Climate protection by changing behaviour – potential of social marketing strategies for Baden-Württemberg*
- Analysis social marketing strategies and field trial with an „energy diary“
 - At the Öko-Institut e.V.
 - Funded by the Environmental Ministry of Baden-Württemberg (€120,000)
 - Project fellow
- 2000 – 2001 *A Quota System for Renewable Energy in Germany*
- Policy expertise on options for implementing a quota system for renewable electricity generation in Germany
 - At the Öko-Institut e.V., in cooperation with Deutsches Zentrum für Luft- und Raumfahrt (DLR)
 - Funded by the Ministry for the Environment of the Land of Baden-Württemberg
 - Project fellow
- 1999 – 2000 *Solar Marketing in the Upper Rhine Region*
- Policy expertise on solar energy installations as a marketing device for local businesses
 - At the Öko-Institut e.V., in cooperation with the Municipality of Freiburg, Alter Alsace (Strasbourg), Handwerkskammer Basel
 - Funded by the EU Commission/ ALTENER programme
 - Project fellow
- 1999 – 2000 *Climate Protection in the Context of Liberalised Energy Markets*
- Policy expertise on municipal climate policy options
 - At the Öko-Institut e.V., in cooperation with International Council of Local Environmental Initiatives (ICLEI)
 - Funded by the German Environmental Protection Agency (UBA)
 - Project fellow
- 1999 *Commentary on the report 'Nuclear phase out and climate protection in Baden-Württemberg' by the Academy for Technology Assessment (AfTA) for the Government of Baden-Württemberg*
- Critical review of modeling methods and assumptions
 - At the Öko-Institut e.V.
 - Commissioned by the faction of the Green Party in the parliament of Baden-Württemberg (€3,000)
 - Project fellow

Teaching

Didactic training

- Sep. 2016 ,Problem based learning: the art of minimal teaching', participation in a 'seminar for quality in teaching' by Zentraleinrichtung Wissenschaftliche Weiterbildung und Kooperation (ZEWK), Technische Universität Berlin
- Jan 2012 'Planning and conduct of processes of teaching and learning', three-day training course by Zentraleinrichtung Wissenschaftliche Weiterbildung und Kooperation (ZEWK), Technische Universität Berlin

Courses offered

at the Human Technology Center (HumTec), RWTH Aachen, 2hrs/week, in German, if not otherwise mentioned

- Summer 2022
- Technology assessment – basics and perspectives (in English)
 - Responsible Research and Innovation (in English)
 - Analyzing Socio-technical Transformations: Governance

at the Dept. of Sociology, Technische Universität Berlin, 2hrs/week, in German, if not otherwise mentioned

- Winter 2021/22
- Sociology of Politics – Introduction
 - Governance as practice and culture (research colloquium, two-days en bloc)
- Summer 2021
- Sociology of Politics – Introduction
 - Sociology of the Senses – Introduction
 - Science and Technology Studies (STS) – Introduction
- Winter 2020/21
- Governance as practice and culture (research colloquium, two-days en bloc)
- Summer 2020
- Sociology of Politics – Introduction (two parallel courses)
 - Politics of Climate Change – sociological perspectives
 - Politics of the Corona-Virus – sociological perspectives
 - Governance as practice and culture (research colloquium, two-days en bloc)
- Winter 2019/20
- Practice, aesthetics, and politics of eating. Part II (student research project, 4 hrs/week)
 - Governance as practice and culture (research colloquium, two-days en bloc)
- Summer 2018
- Participation and planning
 - Practice, aesthetics, and politics of eating. Part I (student research project, 4 hrs/week)
 - Governance as practice and culture (research colloquium, two-days en bloc)
- Winter 2018/19
- Sociology of Politics – Introduction
 - Technologies of governance
 - Politics of the senses
 - Governance as practice and culture (research colloquium, two-days en bloc)
- Summer School 2018
- International Summer School „Science and Politics. Exploring Relations Between Academic Research, Higher Education and Science Policy“, Forum Internationale Wissenschaft, University of Bonn
- Science and politics – relations of co-production (3hrs workshop)
- Summer 2018
- Bruno Latour's sociologies of politics
 - Participation in planning processes: what's going on in Berlin?, Part II (student research project, 4 hrs/week)
 - Governance as practice and culture (research colloquium, two-days en bloc)

- Winter 2017/18
- Doing comparisons: a method of knowing and an instrument of governing
 - Participation in planning processes: what's going on in Berlin?, Part I (student research project, 4 hrs/week)
 - Aesthetics and politics, Part II (student research project, 4 hrs/week)
 - Governance and practice and culture (research colloquium, two-days en bloc)
- Summer 2017
- Pragmatism and practice theory
 - Aesthetics and politics, Part I (student research project, 4 hrs/week)
- Winter 2016/17
- The political mode of world ordering – Introduction to social studies of politics
 - The technoscientific mode of world ordering – Introduction to science and technology studies
 - The aesthetic mode of world ordering – Sensory dimensions of sociality in activism, public relations, and marketing
- Winter 2015/16
- The political mode of world ordering – Introduction to sociology of politics
 - The technoscientific mode of world ordering – Introduction to science and technology studies
 - Politics of the Senses – Experiments with multi-modal communication and collectivisation (4 hours per week)
- Summer 2015
- Politics and science
 - Realising order – the Performativity of Social Science
- Winter 2014/15
- Sociology of Politics – Introduction
 - Representation and Authority
- Summer 2014
- Politics and science
 - Realising order – the Performativity of Social Science
- Winter 2013/14
- Sociology of Politics – Introduction
 - Research transition – Current debates on the democratisation of science and innovation policy
- Summer 2013
- Politics and science
 - Interviewing and transcription – knowledge of cooking
- Winter 2012/13
- Sociology of Politics – Introduction
 - Sustainability Transitions – An Innovation in Innovation Studies (in English)
 - Interviewing and transcription – knowledge of cooking
 - Colloquium „Politics, Science, and Technology“ (in English)
- Winter 2011/12
- Innovation in Governance
- at the Dept. of Political Sciences, Albert-Ludwigs-Universität Freiburg, 2hrs/week, in German*
- Summer 2001
- Politics and Technology
- Winter 2000/2001
- Introduction to Governance Analysis

Supervision of doctoral projects

- January 2016
- Arno Simons (MA science studies/ University of Bielefeld): “Documented authority. The discursive construction of emissions trading in the expert literature” (analysis of discourse formation in networked documents, quantitative and qualitative text analysis)
- February 2016
- Fabian Schroth (MA environmental management/ FU Berlin): “The politics of governance experiments. An analysis of the innovation process of the Clean Development Mechanism” (analysis of the experimental process through which a transnational regulatory arrangement became established, qualitative document analysis and expert interviews)

- November 2017 Nina Amelung (MA social sciences/ HU Berlin): "Democracy under construction. The micropolitics of ordering transnational public engagement" (analysis of the micropolitics of organising public participation in a transnational project consortium, through rules and boundary objects, multi-site participatory observation)
- December 2021 Felix Maas (MA Politikwissenschaft/ Uni Heidelberg): "Politics between innovation and doability. Street-level-experiments with cultural and job market integration of refugees in Berlin " (situational analysis of experimenting with governance incl. discourse analysis and participatory observation)
- February 2022 Nora Rigamonti (MA Kulturwissenschaften/ Uni Frankfurt a.d. Oder): „In(ter)ventive democracy? Experimental Future scenarios of the European refugee crisis“ (analysis of intertwining aesthetic and political practices in two projects engaging with the issue of refugees in Berlin, participatory observation).
- June 2022 Tim Seitz (MA science studies, Humboldt University Berlin): „Governing through behavioural experiments. An ethnography of behavioural governmental practices “ (praxeological analysis of “nudging experiments” with a view to implicit anthropologies at work in configuring experimental setting)
- Ongoing, since 2019 Florian Eyert (MA social science, Humboldt University Berlin): “Governing through models. Public sector machine learning, contested expertise and the political epistemology of algorithmic governance” (a discourse analytical study of justifications for claims to represent society through the analysis of digital data)
- Ongoing, since 2015 Clelia Minnetian (MA Politikwissenschaft/ Uni Duisburg): „Innovation as a chiffre of the modern subject. The imperative of innovation in occupational counselling and its effects of subjectivisation” (analysis of practices and technologies of occupational counselling in Germany with regard to how implicit images of subjectivities are conveyed on clients, participatory observation and discourse analysis)
- Ongoing, since 2018 Sabine Biederman (MA european ethnology, Humboldt University Berlin): “From food to poop: examining the human microbiome as an innovation field in healthcare” (an ethnographic study of microbiome research with a view to a struggle of multiple conceptualizations and underlying ontologies)
- Ongoing, since 2015 Miriam Klemm (MA Global Studies/ Uni Wien & Uni Leipzig): „Overshadowed by the Pill. Patterns of reflexive innovation in the development of male contraceptive technology” (comparative analysis of how actors in variously situated technological niches know conditions of the innovation process and how reflexively deal with them, participatory observation and interviews)

Supervision of MA, BA and Diploma theses

- 2021 „Die Konstruktion von Bürger*innen in Zukunftsdiskursen zur digitalen Stadt“, Max Soeding (TU Berlin, MA Soziologie technikwissenschaftlicher Richtung)
- 2021 „Expectations and socio-technical imaginaries in the German fuel cell discourse“, Filip Rozborski (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2020 „Die Determinismus/Kontingenz-Problematik als Instrumentarium für den Vergleich soziologischer Theorie: Eine Untersuchung am Beispiel der „Assemblage Theory“ Manuel DeLandas“, Lars-Erik Zeike (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2020 „Digitalisierung der Öffentlichkeit: Kommunikation zum Corona-Virus“, Malte Brockerhoff (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)

- 2020 „Vom physiologischen zum sozialen Geschmack – Habitualisierungsprozesse in der Objektivierung des sinnlichen Geschmacks“, Salma Mekkes (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2020 „Amateurs taking part in the city“, Thorsten Klafft (TU Berlin, MA Soziologie technikwissenschaftlicher Richtung)
- 2019 „Resonanz in Beratungssituationen. Die Rolle des Sprachmittlers bei der Beförderung von Verständigung in der Geflüchtetenhilfe“, Jola Zych (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2019 „Human Rights in practice – The Human Rights Commission of Thailand as the bridge between civil society and government“, Desiree Mohn (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2018 „Affektive Arrangements. Die Gestaltung sinnlicher Wahrnehmung im Design von Shopping Centres“, Felix Martens (TU Berlin, MA Soziologie technikwissenschaftlicher Richtung)
- 2017 „Neue Konzepte von Öffentlichkeit: translokal, material, performativ“, Volkan Sayman (TU Berlin, MA Soziologie technikwissenschaftlicher Richtung)
- 2017 „Ko-Produktion im Reallabor? Gemeinsame Wissensproduktion im Forschungsprojekt Wissensdialog Nordschwarzwald“, Klaus Liepmann (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2017 „Herrschaftsfreie Diskurse in nicht-modernen Gesellschaften. Zu egalitären Kommunikationsformen bei den Konso in Äthiopien“, Vera-Felicitas Mayer (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2017 „Veränderung des Arbeitshandelns durch Digitalisierung. Wahrnehmungsdenken und Handlungspraktiken am Beispiel eines Herstellungsverfahrens im Kontext des dentaltechnischen Arbeitshandelns“, Marika Melisch (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2016 „Nachhaltigkeitsgovernance als Raumgestaltung: Wasserkraft in den Stubai Alpen“, Ines Wilke (TU Berlin, BA Soziologie technikwissenschaftlicher Richtung)
- 2015 „Addiction - Agency - Attachment: Engaging with Neuroscientific Practice“, Prem Borle (TU Berlin, BA Soziologie technikwissenschaftliche Richtung)
- 2013 Lisa Kressin (TU Berlin, BA Soziologie technikwissenschaftliche Richtung): „The relation of science and politics in constructivist perspective“
- 2013 Eric Janacek (TU Berlin, Diplom, Soziologie technikwissenschaftliche Richtung): „Professional lobbyism? A conceptual operationalisation and first empirical inquiry into the professionalisation of commercial interest representation“
- 2012 Fabian Schroth (FU Berlin, MA Öffentliches und betriebliches Umweltmanagement): “The Making of Transnational Climate Regulation in the Clean Development Mechanism“

External reviewer for academic qualification, promotion, and recruitment procedures

- May 2021 Joost de Moor (Appointment as Assistant Professor for Comparative Politics of Ecological Transformation, Sciences Po, Paris)
- April 2019 Jason Chilvers (Promotion to Chair of Environment, Science and Society, School of Environmental Sciences, University of East Anglia)

- Nov 2016 Alejandro Balanzo G. (Doctorate at the Department of Science, Technology and Policy Studies, University of Twente, Supervisors: S. Kuhlmann, G. Ordonez) "Unfolding Capacity: Strategies of Farmer's Organizations as Change Agents"
- Nov 2014 Roos den Uyl (Doctorate at the Faculty of Geosciences, , University of Utrecht, Supervisors: P.J. Driessen, D. Huitema): "Navigating toward Sustainable Development: Conceptual Maps of Modes of Governance vs. Practical Experiences in the Dutch Fen Landscape"
- 2012 Mikko Rask (Award of a docentship in environmental policy, Faculty of Social Sciences, University of Helsinki)

Administration

University administration

- Oct 2018 – Mar 2022 Praktikums-Beauftragter (commissioner for internships) at the Dept. of Sociology, Technische Universität Berlin
- Apr 2015 – Mar 2022 BAFÖG-Beauftragter (commissioner for student loans) at the Dept. of Sociology, Technische Universität Berlin
- Jul 2014 – Apr 2020 Examination board at the Dept. of Sociology, Technische Universität Berlin, chairman during winter term 2014/15
